STATEMENT OF ADDITIONAL  
GROUND FOR REVIEW

I, Troy M. Fix, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

If there are additional grounds, a brief summary is attached to this statement.

To: Honorable Judges of the Appeals Court

Thank you for taking the time to read and understand my Statement of Additional Grounds. In addition to the fact that I am not guilty of the convictions against me, the convictions against me should be overturned based on the following additional issues.

- 1: Officer Ferris and the prosecution made no attempt to find the truth in this case, and failed to properly investigate the allegations.
- 2: The "State" Department of Corrections found me "Not Guilty" of all the same alleged actions, prior to the "State" taking it to trial.
- 3: One of the seated jurors admitted during jury selection that he knew Lisa Fix, and worked with her at church.
- 4: Three times the defense asked for a continuance to bring in additional witnesses that could validate the fact that I was at work at the time of the "sightings". All three requests were denied.
- 5: Lisa had repeatedly lied to the courts and judges several times in attempts to have me knowingly and falsely arrested, as well as to collect additional money from me.
- 6: The prosecution had four written witness statements that confirmed the time I worked and the vehicle I drove.

I will document these issues one at a time below.

1: Officer Ferris and the prosecution failed to investigate the facts of this case, and instead chose to believe blindly the words of a "protected" party. Officer Ferris could have, and should have asked just a few questions of me when we spoke. Had Officer Ferris done so this case would have never even gone to the prosecutors office. Officer Ferris asked if I had been in Ridgefield that morning. I told him I live in Woodland, and work in Portland, therefore I had to drive through Ridgefield to get to work. That was apparently enough for Officer Ferris to have "probable cause". Officer Ferris never clarified what time I drove through Ridgefield, or what time I worked, he only needed to know I drove through in the twelve hour period from 12:01 A.M. And 11:59 A.M. Commonly referred to as "morning". Had Officer Ferris asked this one simple question, he would have realized I went through Ridgefield, and was at work, over an hour before the alleged sighting, and this case would not have gone any further. Officer Ferris also never asked what direction, or route I took through Ridgefield, although in order to go to work in Portland from Woodland I would have to travel South. The alleged sighting placed a vehicle heading North. This too should have given Officer Ferris a clue as to the validity of the allegations. Officer Ferris was aware I owned and drove multiple vehicles, yet he did not ask which vehicle I was driving that day. That day I was in my Lexus, yet the alleged sighting involved a Ford Explorer. Had Officer Ferris asked any of these questions it would have been obvious that I was not in the vehicle that Lisa saw that day. Officer Ferris could have stopped by, or called, my work and asked the employees what time I arrived at work. Officer Ferris could have stopped by my work to see which vehicle I was driving that day. I had told Officer Ferris I was unaware that Lisa walked in the area of the Dollar Tree Distribution Center, and I had not seen her. Although Lisa and I used to walk regularly, we never once walked in that area, which was confirmed by Lisa's testimony at trial. Officer Ferris also admitted he had some type of relationship with Mary Bodine (Lisa's witness) and although witnesses are not supposed to communicate with each other during the trial process, Officer Ferris and Mary Bodine sat multiple times in the courtroom lobby area having in-depth

conversations. Officer Ferris stated at trial the importance to talking with all the witnesses "as soon as possible." (transcripts page 449 line 10) Officer Ferris and the prosecutor were aware of four alibi witnesses, yet waited over six months to follow up on them, and only spoke with one of the four. Officer Ferris made several untrue assumptions in his Declaration of Probable Cause. Officer Ferris stated I took the Ridgefield exit which I did not nor did I ever imply that I had. Officer Ferris also stated "It was clear Troy was aware that Lisa walks there in the morning and is keeping her under surveillance." Neither of those statements is true or substantiated with any facts. In fact I told Officer Ferris I had no idea she walked in that area. Based on Officer Ferris' logic regarding probable cause, he would have, without further investigation, probable cause to have me arrested and charged every day I worked if Lisa were to say she saw a vehicle that looked like one belonging to me. I thought the police report was supposed to obtain facts, not opinions the Officer creates. Any opinions by Officer Ferris should have been investigated to find if there was any truth to the assumptions, or theories, he made about what happened, rather than to print his assumptions as truth, and ignore any common practice investigation or questioning to find the facts.

On June 5<sup>th</sup> 2017 Ridgefield Police Officer Craig Wattson while placing me into custody never read me my Miranda Rights. Officer Wattson's detailed arrest report is attached.

# NARRATIVE

## Narrative:

On 06/05/17 at approximately 1600 hours I was dispatched to the Clark County Courthouse on a report of a wanted subject. Deputy Pollen, who was working a court security detail, notified me that Troy Fix, the suspect of RPD case number 17-157, was present for a court hearing. Deputy Pollen advised me that Fix was in the court chambers and was wanted by our agency for stalking and violation of a protection order. Deputy Pollen further advised that he had Officer Ferriss' PC statement and would detain Fix until my arrival.

I responded to the Clark County Courthouse and contacted Deputy Pollen inside court chambers G2. Once inside I observed Fix and his ex-wife talking with the judge for some type of legal matter related to their current no-contact order arrangements.

Once Fix was done speaking with the Judge, I placed him into custody on behalf of Officer Ferriss' probable cause related to this case. Fix was compliant and I detained him without a struggle. I applied the handcuffs, checked them for proper fit, and double-locked the handcuffs.

After checking Fix for weapons, I escorted him directly from the courthouse to the jail and booked him on Officer Ferriss' charges of stalking and violation of a protection order.

Attached Documents:

2. The Washington State Department of Corrections held me, and tried me on July 12<sup>th</sup> 2017 for all the same actions/allegations as the State Prosecutor. (See attached Department of Corrections documentation) The Department of Corrections used witness statements, the Ridgefield Police reports, as well as additional evidence for my hearing. The Department of Corrections only needs "some evidence" to find a person guilty of any violation, as opposed to "beyond a reasonable doubt" as required by the courts. The Department of Corrections found me "Not Guilty" on all allegations. Based on the "Not Guilty" finding, the Department of Corrections found "No Evidence" of any violation committed by me. Separate from the hearing, The department of Corrections also gave me a polygraph and found me to be honest. The jury was not allowed to hear these facts.

3. One of the jurors that ended up being seated for the trial, when asked if he knew Lisa Fix from Ridgefield, stated he knew Lisa Fix from working with her at church. This juror should not have been allowed to be part of the jury. Also of note Mary Bodine (Lisa's witness) is also a friend of Lisa from church. I was not given the transcripts from jury selection, but I am sure you have access to them. The juror was a male.

4. Three times the defense asked for a continuance to bring in additional witnesses.

These witnesses would have been able to provide additional testimony verifying I was at work in Oregon at the time of the alleged sightings. One witness would also have been able to verify I was Driving my Lexus on April 24<sup>th</sup> 2017, not the Ford Explorer described in the police report. The Judge at the readiness hearing denied the continuance, as did the new judge I was given the day before the trial was to begin. Also at the start of the trial we asked again for a continuance to bring in additional witnesses. Again we were denied the continuance, and the trial proceeded without being given the proper opportunity to defend myself against the false allegations that were being levied against me.

5. Lisa Fix knowingly, willingly, and repeatedly lied to the Courts and Judges in attempts to have me falsely arrested, to inflict damages, as well as to collect additional money from me. As a result of my limitation to only provide fifty pages in my Statement of Additional Grounds, and the short window of time to prepare, I will only provide a handful of events and their corresponding documentation.

This whole case started when Lisa followed me on March 27<sup>th</sup>. I was told I should ask for an order of protection against Lisa Fix. (Court document attached) After Lisa was served she came up with her “alleged” sightings in order to defend her actions, which in turn made up the basis for this case.

On March 15<sup>th</sup> 2016 at a hearing where I was seeking protection against Lisa Fix(case # 16-2-07396-8), Lisa sent a letter to the Judge. In the letter, as well as in court under oath, Lisa stated “I have no interest in knowing anything about this man” The very same day Lisa applied for a public disclosure on me. (documents attached) Also, the same argument my attorney Brandon Campbell made regarding Lisa's lack of first had knowledge of my possession of a motorcycle also applies to the Explorer that I own. I purchased the Explorer in 2016 (document attached), we were divorced in 2015. Lisa would not even know I owned an Explorer if she had not gotten the Public Disclosure from the DOC. Lisa would not know my Explorer from any other Explorer, and clearly did not see me in it in April of 2017.

Lisa continued to lie even after the verdict. At Sentencing Lisa stated “Mr. Fix has violated every Protection Order that has been issued since August of 2014.” (transcript page 695, lines 7 and 8) If you look at my record you will clearly see I had no Protection Order violations. Lisa also stated (page 695 lines 8, 9, and 10)

“The Protection Orders had to be increased in distance up to 500 yards by the courts as an aid in curtailing his activities” You will see the Order Modifying or Terminating Order For Protection # 15H000202 (Attached) was actually modified to allow me to travel more unrestricted, it was not increased.

Lisa also made numerous attempts to have me arrested for failing to pay child support. I never was, and Lisa knew that I never was. (documents attached)

Lisa, after finding out that I was at work by 6:00 A.M. Every day, Told the jury, That it took two minutes to get to her parking area to walk If she had to wait at the stop sign, and left her home (page 287 Line 8) Usually somewhere between 5:00 and 5:30. Every reference after that initial statement, from her and from Mary Bodine, referenced their 6:00 walks, and all of her alleged sightings were right around, and after 6:00. (Lisa page 307 Line 22, page 312 Line 6, Page 316 line 24, page 318 Line 12, page 323 Line 14, page 402 Line 23, page 405 Lines 3,4,5) (Mary Bodine page 413 lines 6,7,8 page 421 lines 8 and 9, page 429 line 12, page 443 lines 8 and 13) So, although Lisa intentionally mislead the Jury and the Court that she began her walks between 5:00 and 5:30, she actually had a regular routine at 6:00 A.M. while I was already at work 30 minutes away in another state, not at 5:00 or 5:30 as she stated under oath.

In an effort to reduce her portion, and increase my portion, of child support, Lisa told Judge Ladley during our divorce Mediation, that she was no longer going to teach at WSU Vancouver. Judge Ladley believed her lie and Lisa did not include her income from WSU on the Washington State Child Support Schedule Worksheets used in determining Child Support obligations for Case No. 13-3-02511-3. (documents attached) Lisa told the court that she currently teaches at WSU in Vancouver, and has for the last five years. (Page 271 lines 16 through 22)

Lisa was aware she was not to discuss my probation, yet she specifically and deliberately mentioned her use of "the Department of Corrections Victims Advocate people."(page 370 lines 20 and 21)

These are just a few of the lies Lisa had told the courts, but they clearly demonstrate how easily, and without regard to right and wrong, she can lie, without consequence, in order to get her way, and to inflict pain and expense to me.

## Perjury

### RCW 9A.72.020 Perjury in the first degree

On March 15<sup>th</sup> 2016 I had an antiharassment hearing, (case # 16-2-07396-8) against Lisa Fix. At that hearing, Lisa Fix presented a document to the judge. The letter from Lisa Fix is attached. In the letter Lisa states "I have no interest in knowing anything about this man". Lisa also made the same statement to the judge under oath.

After leaving the courthouse, I received a voice mail from Officer Keplin. Officer Keplin stated I needed to call her right away. When I made contact with Officer Keplin, she stated I needed to give her the complete information on every vehicle I own, Make, Model, Color, License Plate Number, and VIN number. When I met with Officer Keplin I asked her "What do the police know about me if they pull over one of the vehicles I own?" Officer Keplin informed me they would know all about my criminal record, as well as any no contact orders. I asked why does the DOC need this information then? Are they going to be looking for my vehicles? Officer Keplin said "No, we are not trying to keep tabs on you." I asked, why then do I have to provide that information, I had never been asked for it before. Office Keplin responded in a curt tone "Because I asked you for it."

Officer Keplin later informed me of the fact that Lisa Fix had done a Public Records Request on me.. Lisa wanted my vehicle information so she could more accurately continue to make false allegations about seeing me violate a no contact order, as it is much more convincing when you can tell the police you saw this vehicle, this make, model, color and license number somewhere it may not belong.

Obviously doing a Public Records Request would be in direct conflict to the statement made to the judge "I have no interest in knowing anything about this man." Which Lisa Fix stated to the judge both in writing and under oath. Clearly Lisa Fix perjured herself in a court of law in an official proceeding. Perjury in the first degree is a class B felony. A copy of the Public Records Document Lisa received is attached.

can waste the courts time & resources and get his way — he gets to see me, he gets to see that I spend money to defend myself & protect my rights, and he walks away smiling.

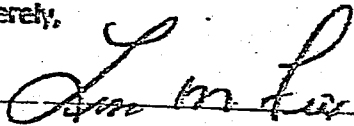

I have right to own & carry a gun. I am registered to carry a concealed weapon and it is my second amendment right. I have done nothing to have that right removed. Troy on the other hand has done things to lose his rights — he's a violent & vengeful man that brutally attacked his wife in a car. This is was arrested, convicted and sentenced for doing on 08/29/14.

I do not ever want to see Troy Fix again. I have no interest in knowing anything about this man. He is in my past & needs to stay there. His constant attempts for attention are ridiculous.

Troy's continued harassment via the legal system is problem for me. I would like to be reimbursed for my time to prepare this case, loss time away from work to appear in court, my attorney fees, and the mental stress this causes me.

Lastly, I am so thankful to have him out of my life & thankful the courts have done their best to keep this man away from me. Having no contact with Troy since August 2014 has provided me the clarity around the emotional & personal abuse I suffered daily at his hand. The constant manipulation & lies to get his way... Thank you for providing me clarity to break free from him.

Sincerely,

Lisa M Fix

1 court system in comes capacity at least five times. And all I  
2 wanted was a divorce.

3 I live in constant fear of what he will do. Will he do  
4 more damage to my property? My life has forever been changed due  
5 to this continued harassment. I've armed (ph) my life in a way  
6 that no average person should ever have to endure.

7 Mr. Fix has violated every Protection Order that has been  
8 issued since August of 2014. The Protection Orders had to be  
9 increased in distance up to five hundred yards by the courts as an  
10 aid in curtailing his activities. Unfortunately this has not  
11 stopped him.

12 Last summer the courts approved an additional two years  
13 of protection. In the past Mr. Fix has been given grace by the  
14 courts allowing him to plead to lesser charges and he has made a  
15 mockery of the system.

16 Instead of taking lesser charges and less sentencing as a  
17 gift these gifts have been squandered. He was even offered a plea  
18 less than a month ago in this case to change from a Class "B"  
19 felony to a misdemeanor and only do ninety days in the county jail.

20 All he had to do was admit to the activities. And here  
21 lies the issue. He doesn't have a desire or motivation to accept  
22 any responsibility for his behavior.

23 He continues to live in some other reality and is truly  
24 frightening because he either really believes these things or it's  
25 just more manipulation.

Date and time (on or around): April and May 2015

Location: Clark County, Washington

What did the respondent do or say that you believe to be harassing or stalking behavior?

Upon the completion of the Decree of Dissolution between Lisa Fix and Myself, Lisa began to make claims that I was in arrears for Child Support. Throughout April and May of 2015 Lisa made multiple phone calls to Susan Fulmer, my probation officer at the time, with the Washington Dept. of Corrections. The intent of Lisa was to have me arrested (held against my will) as she had done several times to her previous husband Douglas Wulf, for failure to pay child support. I ~~was~~ have never been in arrears with regard to my child support payment. Documentation is attached. Lisa was aware that I was not in arrears, yet continued to call Susan Fulmer stating that I was. As part of the dissolution document Lisa applied for full support enforcement services from the DSHS Division of Child Support, and had to pay a \$25.00 annual fee to make this happen. Therefore Lisa knew child support would be garnished from my paycheck as long as I was employed. Supporting documentation is included in this correspondence. These threats and harassment created an incredible amount of emotional distress, knowing Lisa would do anything she could to have me arrested, including continuing to lie to the authorities about what I had, or had not done.

Carolyn

It appears Troy continues to play games. In his last correspondence he states he will not send anything directly to me. This will make it impossible for him to meet his obligation around extra circular expenses. I will call his PO Officer again and have her explain this again to Troy that he is to send me a check directly with no notes or comments for his share of his sons expenses. Maybe Troy needs a better definition for child support- this is money used to benefit his child. So why he continues to not want to participate proactively and make everything so difficult is beyond me. He has not sent payment for April expenses and he was sent the expenses and documents more than a week ago. Payments in arrears will be assessed interest so it's only going to cost him more. I will also address this with Susan his PO, I believe as a criminal you need to be current on all your child support obligations. So this email needs no reply from you Carolyn, it's simply for the file, I will handle this with Susan. I will also confirm with child support office the due date. The order for child support entered in the court stated his support is due on the first of each month.

14 And why are they interested in what I'm doing at 6:00 in

18 I don't know if this person now knows I'm not at my

21 You know - is there damage? Is there going to be

2 Q: Okay. And was there another person there as well?

3 A: There was a gentleman kind of directing it.

4 Q: Okay. And did you do your best in - in that interview to

5 recall what you remembered accurately?

6 A: Yes.

7 Q: Okay. How did it feel to have to do that interview?

8 A: It always feels like you're re-living these experiences

9 over and over again. And - you know - you just - you - you

10 continue to feel afraid and it just continues to remind you of the

11 event and - or events in this case.

12 Q: Okay. Now we talked about the - the - the notes that you

13 took when you saw Troy. Why did you take those notes?

14 A: I took them because I think it's hard to remember

15 specifics and the more instances that were happening - the - the

16 more I thought it was important. I was also told by Victim

17 Advocate Office - both from Oregon as well as Washington that it's

18 - that that is what I should do.

19 Q: Okay.

20 A: As well as the Department of Corrections Victim Advocate

21 people.

22 Q: Okay.

23 A: They both - they all - so all three had said the same

24 thing. You need to keep records of what's happening to you.

25 REDIRECT EXAMINATION OF LISA FIX

6. On June 5<sup>th</sup> 2017 The prosecutor had in her possession four letters(copies attached) from witnesses that could confirm I was at work at the times Lisa claimed to have seen vehicles that looked like mine. One was from Vivian Hecker a night auditor at the hotel I worked at. Vivian was an employee that I did not supervise. One letter was from Kate Van Nortwick the General Manager of the hotel and my boss. One was from Karl Herschberger, the Maintenance Manager at the hotel. Karl and I parked next to each other, and Karl was able to testify to the fact that on April 24<sup>th</sup> 2017 I drove my Lexus to work and not the Explorer that Lisa claimed to have seen that day. The fourth letter was from Adam Gloer a shuttle van driver at the hotel that I did not supervise.

Prior to my arrest I had made multiple calls to the prosecutors office and left several messages for Ms. Wechselblatt. Ms. Wechselblatt refused to return any of my calls. I was told by the prosecutors office I would receive a summons if the prosecutor decided to press charges. I never received a summons, and was arrested and charged during a hearing where Lisa Fix was trying to get an extension on the protective order that was about to expire. The alleged sightings were a direct result of Lisa's need to show some type of cause as to why the order should be extended. The prosecutors office made no attempt to contact the alibi witnesses until December of 2017, and at that time only contacted Vivian Hecker, over six months after having the information in her hands. Obviously Ms. Wechselblatt had no interest in trying to find out the truth.

### Closing Summary

Thank you again for taking the time to read and understand my Statement of Additional Grounds. If you have any questions relating to the events I have documented feel free to contact me at (360) 261-0958, or by email at [tfix4you@yahoo.com](mailto:tfix4you@yahoo.com).

After reviewing the previous documentation I am sure you will see that this case should have never even gone to trial. The prosecution and the Ridgefield Police Department had no interest in finding the truth, and failed to properly investigate the allegations. The Washington State Department of Corrections previously found me "Not Guilty" of all the same actions and allegations. One of the jurors knew Lisa Fix from Ridgefield and worked with her at church. Three times the defense asked for a continuance in order to have time to bring in additional alibi witnesses, and was denied every time. Lisa Fix has a documented history of lying to the courts and judges, and her testimony should be viewed as nothing more than a continuation of her dishonest history. The prosecution failed to properly investigate the four alibi witness statements.

I look forward to hearing that you have overturned the wrongful convictions against me.  
Thank you again.

Sincerely,

Troy M Fix
